Kembla Assemblies

Why Choose Kembla Assemblies?

- All Kembla assemblies are made from first grade Australian manufactured Kembla copper tube.
- All Kembla assemblies are fabricated at our Brisbane factory.
- All finished products are individually pressure tested at our factory.
- All Kembla assemblies are Watermark approved, licence #WWMK00185
- All Kembla manufacturing facilities hold recognised quality certification.
- All Kembla's chromed products are chromed in-house which ensures uniform quality and finish.
- Kembla assemblies are stocked at each of our state warehouses nationwide for prompt delivery.
- Each Kembla assembly is identified by a unique batch number, to provide full product tracability.
- Each Kembla assembly is backed by Kembla's reputation for quality, service and customer care.
